Marta Nunez - Vice President

This Friday, I will be having J-Board Meeting. We will be discussing about the Bylaws changes that we need to do. Next Wednesday, we will be passing to be good with everyone to make them changes. I will be doing some class reps. There is a class rep that need to fill for tomorrow at 10am. Please, do it. It is very important since instructors let us come in their class time. I have changed my time. I will in the office more on Fridays since there is mostly no one in the office. HAPPY THREE WEEK !

Abigail Hardin - Legislative Affairs Director

Hey everyone!

This week I set up a box so that people can easily prepare for tabling/class raps, and will be working with OSA staff to do class raps over at the Benton Center to get those students registered too. We're making way towards our goal, which is 875, and we're at about 300 or so. I made my three slides about the menucha trip, and will talk about those at the meeting today. Monday night was our first round of interviews which I really enjoy participating in.

Happy week 3!

Brandon Whaley- Community Outreach Director

Hey all,

I'm trying to have a face to face with the with the Coordinators this week or nexts to help them with their events that are coming up.

Justen Noll - Student Clubs and Engagement Director

Council of Clubs will be meeting next week and Heather and I are currently moving forward with the Activity Day event. I got caught up with signing up for SLC activities and events. Currently in a "pace myself" week.

Caleb Hedin - Financial Director

Aloha,

I'm working on recruiting for the co-curricular budget committee, and I've gotten an excel for our budget for the team so we know what to expect, it includes budgets we have passed. It's important to know that we will get more money in the winter term and again in the spring term, but our attendance will go down which will result in a smaller cash inflow for our accounts

Chris Byers - Event Planner

Hey!

For my task report this week:

I created a budget for harvest festival. Also, I sent out a Google doc of all the events we decided on to be happening on Harvest Festival. I was able to reserve the courtyard for that day and time and also printed off a safety waiver for the pumpkin carving contest.

Thank you all!
