

College Level Exam Program (CLEP)

How to sign up for a CLEP exam

The College Level Examination Program is the most widely accepted credit-by-examination program in the country. Linn-Benton Community College is an open testing site for anyone wishing to take the CLEP exams.

Although LBCC offers all 33 CLEP exams, Admissions and Registration does not accept all CLEP exams for credit at LBCC.

Each college and university has their own policies for accepting CLEP credit. You should check with the college or university you will be attending to see what CLEP exams they will accept.
